Learning Objectives

1. Review highlights of Maine school transportation
2. Explain the Maine school bus purchase program
 - What does the program data look like?
 - How are districts put on a list to be considered for a bus purchase?
 - How are bus approval decisions made?

This program supports the Maine DOE Strategic Plan core priority 5: coordinated and effective state support.

Maine School Transportation

A State Program

- School transportation is a state education department program that:
 - Establishes the policies
 - Writes the rules
 - Develops and administers the programs
 - Oversees the safety reports

Transportation is an equalizer in education, providing students from all economic backgrounds with the opportunity to learn and succeed.

Transportation Highlights

- About 80% of Maine students ride the bus
 - Higher than national ridership (50%)
- About 3,000 school buses in service
- About 2,800 school bus drivers
- About 20% of transportation teams are Veterans
- About 140,000 children transported per year
- Maine school buses travel about 30 million miles of rural and urban roads per year

State Collaboration

- Maine Department of Defense, Veterans and Emergency Management
 - Maine Emergency Management Agency
 - Maine Military Authority
- Maine Department of Environmental Protection
 - Clean School Bus Program
- Maine Department of Public Safety
 - Maine State Police
- Maine Department of Secretary of State
 - Bureau of Motor Vehicles

National Collaboration

- U. S. Department of Transportation (DOT)
 - Federal Motor Carrier Safety Administration
 - **Ensure safest, most efficient trans. system in world**
- Transportation Safety Administration (TSA)
- National Congress on School Transportation (NCST)
 - Sets national specs and procedures every 5 yrs.
 - Maine State Delegation 2015
 - Maine Department of Education, 2 delegates
 - Maine State Police, 2 delegates
 - Maine SAUs, 3 delegates

Resources For School Districts

- Transportation Safety Training program
 - Regional conferences (April and June)
 - State conference (July)

How Are Bus Approval Decisions Made?

– First (1st) Priority

- “Bus Replacement”
 - Emergency situation
 - An emergency situation occurs when a bus is damaged beyond economic repair due to:
 - accidents
 - fire
 - vandalism or
 - other [total] losses

How Are Bus Approval Decisions Made?

– Second (2nd) Priority

- “Addition to Fleet”
 - Unique situation
 - An “addition to fleet” situation occurs when a district needs buses to:
 - Transport handicapped students
 - Transport for a special purpose
 - Transport increased enrollment students
 - Replace contracted services (emergency)
 - Replace contracted services (planned)

How Are Bus Approval Decisions Made?

– Third (3rd) Priority

- “Bus Replacement”
 - Age of the retiring bus
 - “Age as the primary consideration, tempered by both high and low mileage”

May Districts Buy A Bus Different From The Bus That Was Requested and Approved?

- Bus approvals are based on the **original bus request**
- Change fiscal year of purchase?
 - **No changes** are permitted
 - Bus approvals are valid one (1) year
 - Approvals are not carried forward
 - If a district cannot purchase a bus during the fiscal year of a Department bus approval:
 - The district must cancel the approval
 - Failure to cancel a bus prevents redistribution of funds to other districts in need of buses

May Districts Buy A Bus Different From The Bus That Was Requested and Approved? (cont.)

- Bus approvals are based on the **original bus request**
- Change bus type: A, C, or D?
 - Requires Department approval before purchase
 - **Bus allocation will be reduced**
 - Change down: D to C or A; C to A
 - Total state bus approval allocation is reduced to the lower bus Type rate
 - Change up: A to C or D
 - Total state bus approval allocation is held at lower bus Type rate

May Districts Buy A Bus Different From The Bus That Was Requested and Approved? (cont.)

- Bus approvals are based on the **original bus request**
- Change bus capacity?
 - Requires Department approval before purchase
 - **Bus allocation will be reduced**
 - Change from larger to smaller bus
 - Total allocation will be reduced to the max approval amount for the **smaller bus**
 - Change from smaller to larger bus
 - Total allocation will remain the same as the max approval amount for the smaller bus

May Districts Buy A Bus Different From The Bus That Was Requested and Approved? (cont.)

- Bus approvals are based on the **original bus request**
- Change bus purchase payment terms?
 - Requires Department approval before purchase
 - Change from cash to term
 - District total allocation will remain the same
 - Change from term to cash
 - **Bus allocation will be reduced**
 - Change term payment years
 - Increase years, e.g. from 2 to 3: no reduction
 - Decrease years, e.g. from 5 to 2: **reduction**

Program Data

– Age Range of Approved Buses*

* Round 1; excludes unique and emergency requests

Program Data

– Average Miles When School Bus Is Retired

Program Data

– Budget

Program Application Rounds

- Round 1
 - Occurs annually
 - Applications opens Nov. 1 and closes Nov. 25
 - Approvals announced Dec. 30 to Jan. 15
- Round 2
 - Depends on cancellations, may **or** may **not** occur
 - Opens after Round 1 approval announcement
 - All applications that did not make Round 1 approval are automatically moved to Round 2
 - No specific approval date (March to Oct.)

Program Reports

- Bus Purchase Program reports
 - EFT-17 bus request
 - EFT-18 superintendent intent to purchase bus
 - EFT-19 bus cancellation
 - EFT-20 bus purchase
- Annual transportation reports (July1 through Oct. 15)
 - EFT-21 Transportation Safety and Training
 - EFT-24 Vehicle Mileage and Operations
 - EFM-43 OOD, SPED, Homeless and CTE

Program Subsidy Reminder

- Subsidy Amount
 - ED 279 report, section 3 A, other allocations
 - Contact Maine DOE school finance
- Delayed district reports effect subsidy (ED 279)
 - Bus **cancellation** report (EFT-19)
 - Delayed cancellation reports prevent redistribution of bus money to other districts
 - Bus **purchase** report (EFT-20)
 - Delayed reports lead to withheld subsidy
- Timely transportation reports are important

Program Subsidy Reminder (cont.)

- Statutory Authority
 - “Authority to withhold state subsidy until reports are received. Notwithstanding any other provisions of law, if a school administrative unit has failed to file the reports by this Title in the format and within the time periods specified, the Commissioner may withhold state subsidy payments until these reports are received.”

EPS Model Review Cycle

- Statute requires EPS model review every 3 years
 - Transportation is in the FY 2017-18 group review
- Maine DOE contracts the review with USM
 - USM makes recommendations to the Joint Standing Committee on Education and Cultural Affairs
 - Final decision is made by the Committee

Abstract

Safety is priority one when transporting students. This clinic will focus on the Maine School Bus Purchase Program that is designed to help school districts replace the aging fleet. Participants will learn the program purpose, qualifications, and process while exploring how buses are put on the list and how decisions are made. This clinic will include historic data on program funding, applications, and approvals.
